

Airdrie Festival of Lights Society 2026 – Independent Fundraising Application

Welcome to 31 GLOWing Years of the Airdrie Festival of Lights!

The mission of the Airdrie Festival of Lights Society (AFOLS) is to provide an opportunity for the citizens and businesses within Airdrie and surrounding areas to participate in an outdoor light festival like no other, while engaging in positive partnerships with other non-profit organizations. Our vision has always been to provide an affordable, family friendly Christmas Festival of Lights experience for the people of Airdrie and Southern Alberta, which is suitable for all ages. At the same time, we provide a venue in which other non-profit organizations can raise funds for their activities.

AFOLS recognizes that for some youth, participation in extra-curricular activities is not always affordable, and not all have the same opportunities to fundraise in a group setting. In order to address this, we would like to offer our **Independent Fundraising Program**, on a case-by-case basis, to youth between the ages of 14 to 18 years old. The Board of Directors will review each application, and then determine acceptable expenses for fundraising.

If you'd like to be a part of this unique experience, please complete the following application and return to the AFOLS Volunteer Coordinator as soon as possible.

In following with other Volunteer Organizations, and Volunteer Canada for the safe practice of protecting those who volunteer, and those we service, we require all volunteers to adhere to our Volunteer Application Process, which includes carefully screening our volunteers. Applicants may also require a Criminal Record and/or Vulnerable Sector Check for certain positions, prior to volunteering.

Checks are valid for 3 years, though we reserve the right to request a new check be done at our discretion. We will also accept checks that have been completed within the previous three years for new applicants. Should you need assistance in completing these checks, please contact the AFOLS Volunteer Coordinator. Please note, no volunteer will be turned away due to financial constraints.

We look forward to working with you, and appreciate all your efforts to help make this process as efficient and easy as possible for everyone!
